This list is not all inclusive. It is intended as a helpful tool in gathering tax information.

The following information is to help provide two proofs for claiming dependents on your Tax Return

Prove child lived with you in the United State
Document(s) must have

Your U.S. address, your name, child's name
(If you use a P.O Box as your mailing address, you must
Send a completed form 1093, P.O Box Application
stamped By the Post Office)

The dates the child lived at the same address
as you must cover more than half of the currant tax year

if the document has the child's name and your address but
not
your name, you need to send in another document with
your name showing the same address

You can send one or more of the following documents
To prove the child lived with you for more than half of the
Current tax year.

School records (you may need to send one or more school
records)

Medical records from doctors, hospital or medical clinic
(immunization records may not include all the necessary
Information)

Adoption or child placement documents

Court records

Or send dated statements on letterhead from:

Child's school
Child's childcare provider (not a relative)
Child's health care provider, doctor, nurse or clinic
A social service agency
A placement agency official
Your employer
An Indian tribal official
Your landlord or property manager
A place of worship
Shelters
